Hotel Pepita Cozumel Mexico is one of the oldest family run hotels on the island of Cozumel, Hotel Pepita Cozumel is one of the best budget hotels on the island of Cozumel, Mexico.

The tan and white facade is painted frequently, as are the rooms. Wooden shutters cover-screened windows that keep out the insects. Relax in the courtyard, surrounded by tropical plants, Cable TV, refrigerators, and air-conditioning are surprising pluses for such low rates from \$39 USD per night. Shelves in the lobby are piled high with novels in several languages; German, Dutch, French tourists are as common as Spanish and English during conversations around the large common tables in the courtyard. Enjoy free coffee & filtered water compliments of the house. There is no pool or kitchen facilities, though Hotel Pepita is right in the middle of the downtown neighborhood close to cafes and restaurants. Hotel Pepita Cozumel is located about 5 minutes walk from the ferry and close to Scuba Diving Shops in Cozumel. The hotel is a place to stay when you are intending on Scuba Diving in Cozumel or simply chilling out for a while. Hotel Pepita offers round the clock security guard to ensure only guests come and go, a safe friendly family owned hotel in the center of Cozumel down town. Many guests are known to return to Hotel Pepita Cozumel time and time again every year; some have been doing this for more than 15 years. Relax and enjoy a holiday at Hotel Pepita Cozumel Mexico.
